The Hobart Hanging Quantum is designed for easy use by clerks and customers. It is accurate, easy to read and easy to load and unload. It has the same great software features as the current Quantum Scale, with the addition of a simplified keyboard.

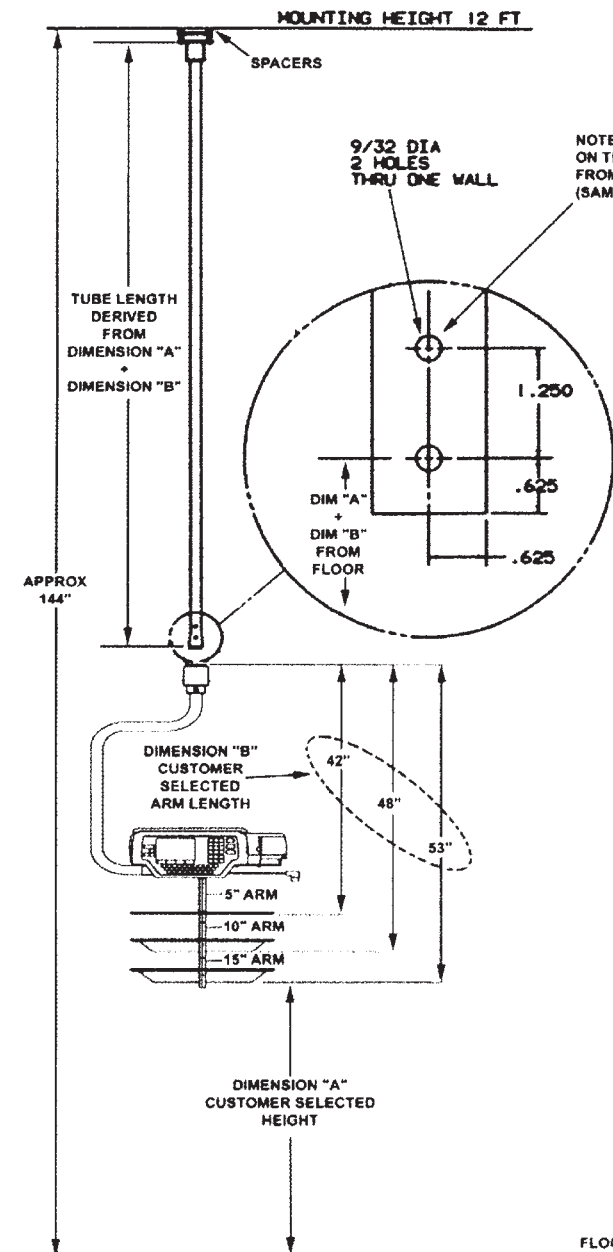

The Hanging Quantum offers the advanced technology of the Quantum family of scales in a new hanging design. The new design is ideal in seafood and produce departments where space is at a premium. This 30 lb. capacity

scale/printer adds efficiency to any random weight department.

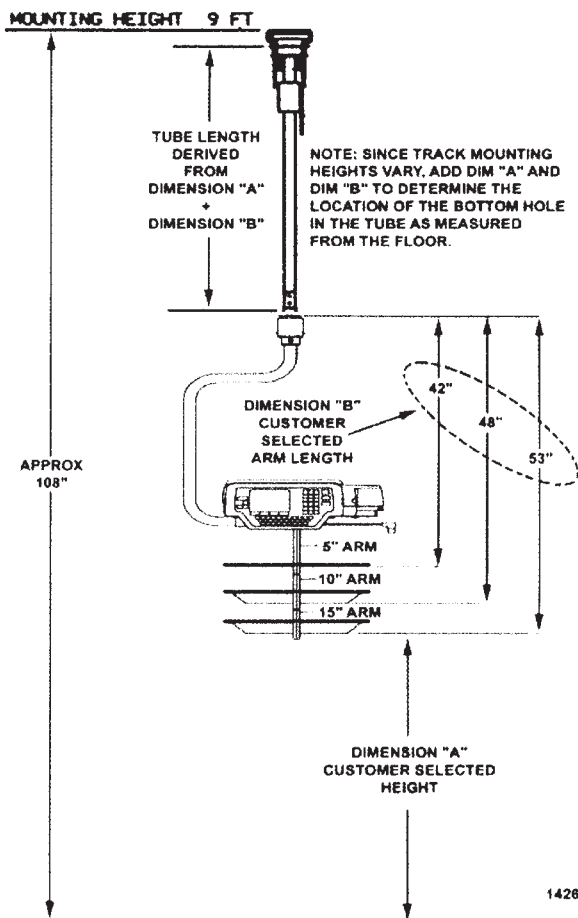

NOTE: The Quantum Hanging or Suspended Scales can be ordered with the necessary hardware to allow mounting from ceilings. Installation of the mounting hardware and electrical service is the customers' responsibility.

NOTICE: Fluorescent lamp in display panel contains a small amount of mercury. Please dispose of according to local, state or federal laws.
