

Principal Features

Autoload features

- Automatic or semi-automatic infeed options.
- Barrel-cam loading.
- "No Product/No Carton/No Load".

Versatility

- Continuous or intermittent motion.
- Tuck or glue closure.
- Molded plastic or stainless steel buckets.
- Rotary carton feeder.
- AC variable frequency main drive for simple speed changes.

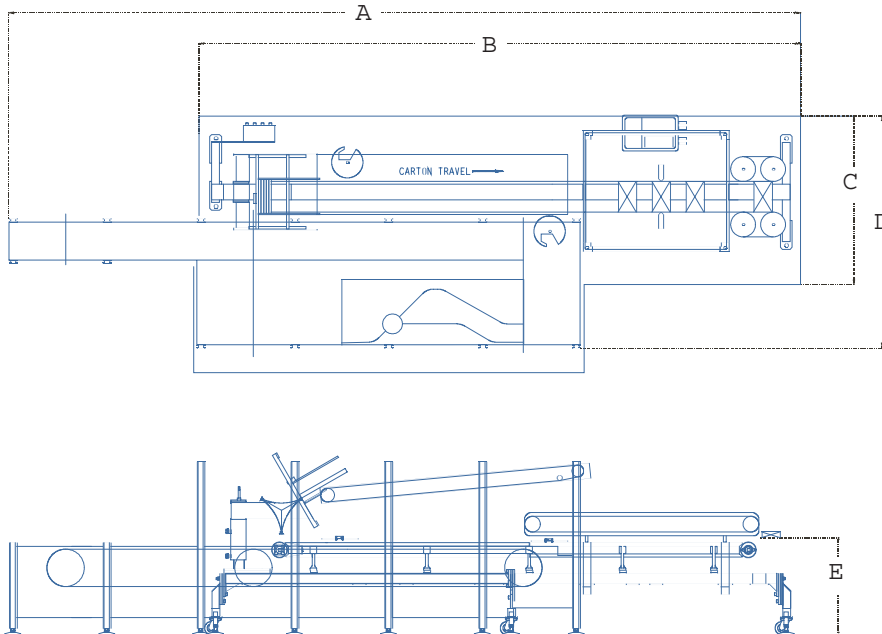

Reliability

- Stainless steel main drive shafts.
- Robust construction.
- Designed for 24/7 operation.

Applications

- Bag in box:
 - Cereal.
 - Cookies.
- Bottles, jars, tubes.
- Thermoforms:
 - Clamshells.
 - Trays.
- Pouches:
 - Stand-up.
 - Sachets.
 - Flow-wrap.
- Speciality items:
 - Hardware.
 - Automotive parts.
 - Personal care.

Dim	
A	303.54 (7709) min. length
B	230.63 (5857)
C	64.50 (1638)
D	89.18 (2265)
E	37.25 (946)

Dimensions in inches with equivalent mm in brackets

Pitch	Standard Carton Size			
	Length	Width	Depth	
4.5"	MIN	1"	0.5	3.75
	MAX	3	3	14
6"	MIN	1	0.5	3.75
	MAX	4	4	14
9"	MIN	1.75	0.5	3.75
	MAX	6.5	6	14
12"	MIN	1.75	0.5	3.75
	MAX	9.5	6	14
18"	MIN	1.75	0.5	3.75
	MAX	13	6	14

Other sizes and pitches are also available

Technical Data

All information given below is dependent upon final machine specification, feed arrangement, product type and carton specification.

Electric Consumption

230V, 380V, 460V, 575V, 3-phase neutral & earth, 50/60 Hz (other voltages available) control circuits 24V DC

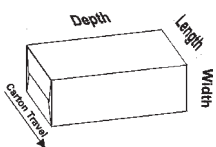

10 KW (typical)

Air Consumption

15 scfm/80 psi (depending on options selected)

Output

Pitch dependent: up to 250/minute

Standard Features

- Rotary carton feeder.
- Robust center-beam construction.
- Stainless steel main drive shafts.
- Rotary style flap kickers.
- Side discharge belts.
- Barrel cam loading.
- Touch screen controls.
- Interlocked perimeter guarding.
- Top squaring chain for positive squaring during flap closure.
- Cam-driven buckets.

Optional Features

- Wet environment option.
- Variety of infeed options:
 - Timing screw.
 - Drop box.
 - Overhead sweep.
 - Robotic.
 - Collator/accumulator.
 - Smart Belt.
- Extended carton magazine.
- Quick change features:
 - Quick change magazine.
 - Quick carton length adjustment.
- Carton pre-break for square or difficult to open cartons.
- Tuck or glue closure.
- Continuous or intermittent motion.
- HBA autoloader option allows for multiple hesitating stations for variety packs.
