

QLC, INC.

*PRESSURE SENSITIVE LABELING EQUIPMENT
AND PRODUCT IDENTIFICATION SYSTEMS*

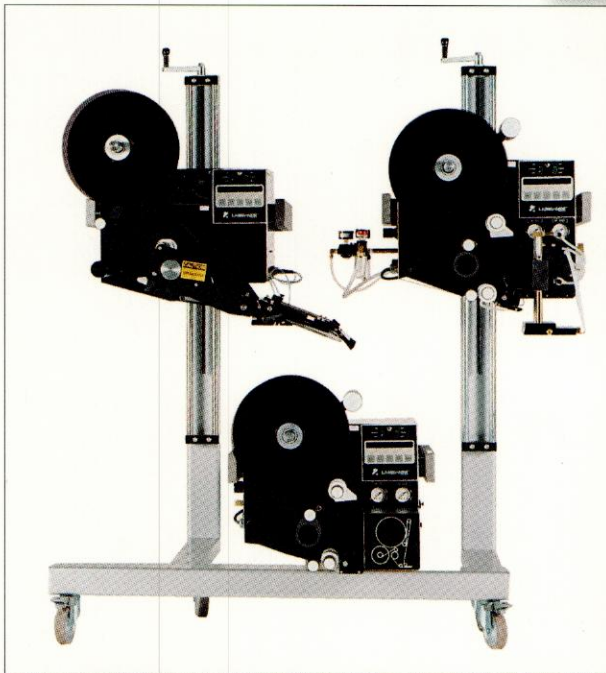

History of QLC

Quality comes first at QLC. For over 30 years, we have been a leading supplier of high quality labeling equipment, service, and parts.

We know that our success depends on meeting and exceeding the expectations of our customers.

That's what QLC is all about.

From our modern facility in Hartland, Wisconsin, we provide you with installation, training, service manuals, and on-going support. Exceeding your expectations is our goal.

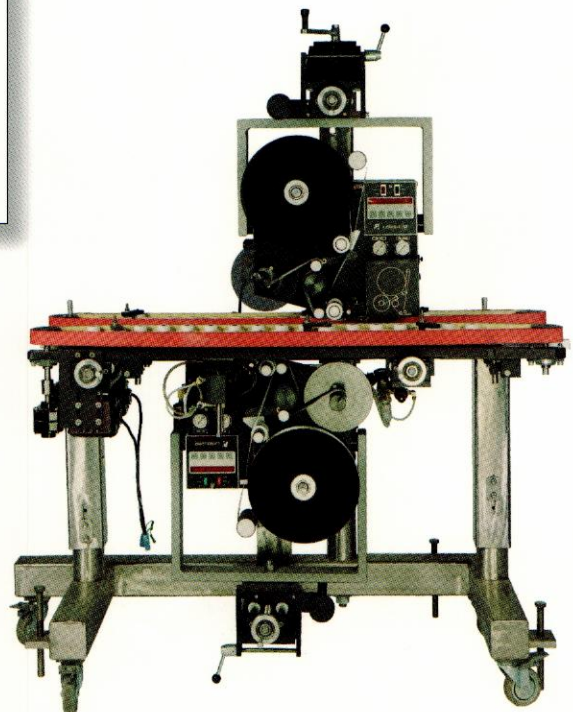

Label Applicators

As an authorized Label-Aire distributor, we offer applicators for all label applications along with complimentary equipment to reduce downtime, increase efficiency, and to make the equipment operator friendly.

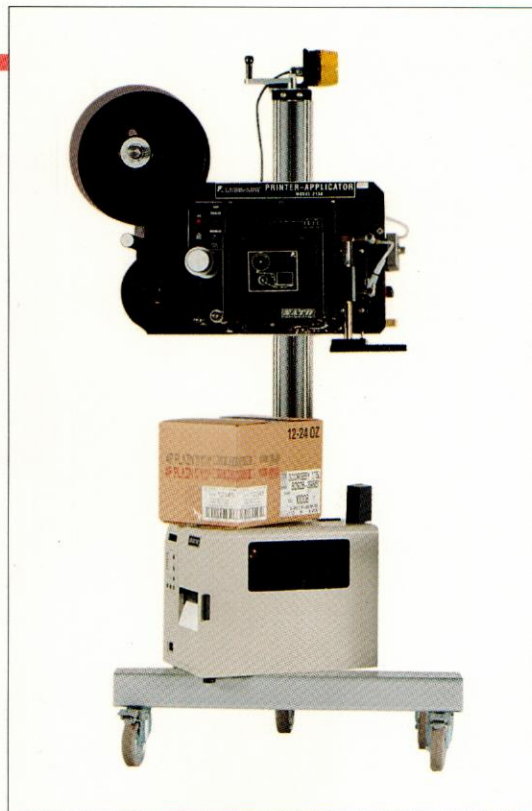

Labeling Systems

We will work with you to deliver handling systems designed to deliver your product consistently insuring clean, consistent product labeling. Systems include all components necessary to meet your requirements, giving you the application rate, label placement, and reliability that you desire.

Product Identification Systems

We offer a wide range of direct thermal and thermal transfer printers, printer applicators, bar code scanning and verification equipment, as well as canned and custom software to meet your unique requirements.

Service

Factory trained technicians are only a phone call away. We can have a technician in your facility in twenty-four hours.

Our after hours service hotline (414-367-1403) provides around-the-clock access to our service technicians.

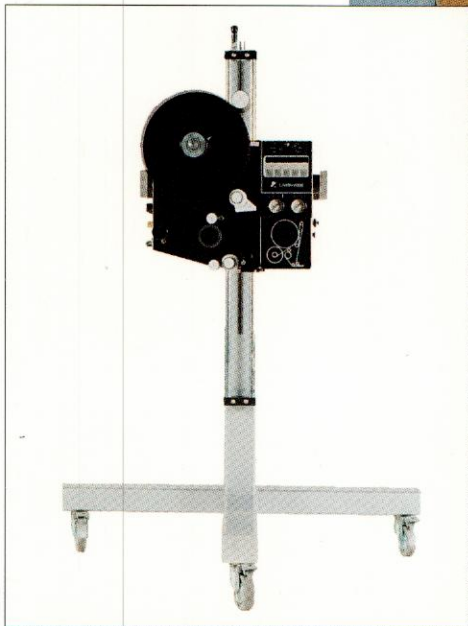

Parts

Parts are shipped within twenty-four hours of receipt of order. Parts and service are warranted through QLC, Inc.

Contract Labeling

If cost or time constraints would make outsourcing your labeling project a more practical option, give us a call. We have the experience, expertise and facility to get the job done.

System Rentals

Perhaps you have a labeling job that will require a machine for a week, month or several months. Rent one of our machines or systems to get the job done.

When it comes to innovative labeling systems, bar code printers, parts, and service, think quality.
